## Incident Narrative:

Approximately six months ago the High Point Police Department's Vice & Narcotics Unit began a series of undercover drug investigations in High Point. This investigation took place in numerous locations in High Point, with a focus on the areas where drug market & violent crime initiatives have been conducted.

Surveillance and many undercover drug buys were vital components of this lengthy and intensive investigation. As a result of their work, Vice & Narcotics detectives have made a variety of criminal charges against High Point residents.

Last week, a warrant service operation was conducted in an effort to locate and serve the drug & criminal charges against these defendants. This roundup involved many members of the agency in a department-wide effort. The Archdale PD provided assistance in this roundup.

To date, the following people have been located and charged in this investigation;
